SIR,

Subject:—

I have the honour to state that one Mr. Yeshwanth Telang alias Tataiya who belongs to the Central Organisation at Nagapur, is staying with some students of the Indian Institute of Science at Malleswaram. He had opened an organisation styled "Rashtriya Swayam Sevak Sangha" in the year 1927 with a view to create unity and militant spirit in the Hindu Community. He has been enlisting volunteers and is training them in drill and in the use of lathi, dagger, etc.

2. I am sending herewith for favour of perusal, a copy of the report received from the City Superintendent of Police on the subject.

3. It is reported that he has already enlisted 250 volunteers in Bangalore and that the drill which is being conducted by him is of a military nature. As Mr. Telang who is a foreigner is acting in a manner prejudicial to the military discipline, I would venture to recommend that action under section 32 of the Mysore Public Security Act, may kindly be taken against this individual.

4. I am asking the City Superintendent of Police to submit the History Sheet of this individual and as soon as I receive it, I shall submit the same in due course.

SPARE COPIES.....

RASHTRIYA SWAYAM SEVAK SANGHA.

I have the honour to state that about the beginning of October 1941, two individuals came to Bangalore, from Nagapur and Madras. Mr.Yeshwanth Telang alias Tatya of Nagapur is a disciple of late Dr.K.B.Hedgewar who had opened an organisation styled " Sashtriya Swayam Sevak Sangha" in the year 1927 with the object of creating unity and a militant spirit in the Hindu community. The actual plan of work is to organise a net-work of branches throughout the country with the object of - transforming the individual strength of the Hindus into a great Nation-building force. To this end, volunteers are said to have been trained there in drill and in the use of lathi, dagger, sword and spear. Training camps are annually held at Nagpur and Poona to train instructors from outside and organisers are also sent outside to open branches in untouched areas. The Sangha received recognition from All-India Hindu Mahasabha in 1932 at its Session in Delhi. Mr.Telang, who belongs to the Central Organisation at Nagpur, is staying with some students of the Indian Institute of Science at the 18th Cross Road, Malleswaram (close to Shankarlal Banker's residence). He was formerly a student of the Nagpur

University where he obtained the B.Sc., and LL.B., degree.

Mr.Paramanath, who was convicted at Madras recently under the Defence of India Rules, for performing physical exercises with Lathies in contravention of Government Notification under rule 58(2)of the Defence of India Rules and sentenced to pay a fine of Rs.200/- has since returned to Madras.

I submit that the Drill which is being conducted by Mr.Telang at Malleswaram is of a Military nature since the students are being given tution in - Lathy drill in squads and that the presence of this Foreigner (Mr.Telang) at Bangalore or in the State is undesirable. Even in British India action has been taken against this Sangha. In Bangalore, it appears Mr.Telang has enlisted so far 150 members to the volunteer Organisation and intends having on his roll 850 more volunteers to make up a figure of 1000. After organising in the City, several branches, he wants to organise similar Institutions throughout the State. He has prescribed for the volunteers white half-arms, and Khaki shorts as Uniform. He is being assisted by one S.G. Damle of Poona, Sreepad Napar of Tata Institute, one Desai and another who act as Instructors for the drill. The Jurisdiction Inspector of Police has been asked to take action to prohibit the performance of the drill under Sub-rule (1) of Rule 58 of the Defence of India Rules and in the meantime, I submit that the Government may be moved to take action against Mr.Telang under Sec.32 of the Mysore Public Security Act, as he is an undesirable Foreigner.

I have the honour to be,
Sir,
Your most obedient servant,

Superintendent of Police,
Bangalore City.

SECRETARY

GOVT. OF MYSORE

Sir,

I most humbly and respectfully beg to put the following few lines for your kind consideration.

Under section 32 of the Mysore Public Security Act, I was asked to remove myself from the State of Mysore within 24 hours.

Does that mean, Sir, that an humble individual as myself was considered by this government as being capable of being a menace to the public security? Can, Sir, a Hindu as I am, be considered to disturb the peace and tranquility of my own Hindu government at least? What were, Sir, my activities that made the government to take such a very hard action even without a

warning or a personal enquiry? Sir, I feel, Some where there has been some misunderstandings which have caused this unwanted situation.

In these days, when every individual is to try his utmost in saving his country, his government, his culture, how can, Sir, an individual Hindu - a perfectly law-abiding citizen - be even willing to destroy himself and and his country and his government?

I am a Hindu out and out. This does not in any wise mean, sir, that I am an anti-mohamaden or an anti-christians. What exactly is the position of an individual having, sir, a physical exercise for the maintainance of his body - is my position so far as the Hindu Society is concerned. How can this be calculated sir, as unhealthy to the public security. If Every Society protects itself ~~against~~ from the unlawful and unruly, it will be immense help to the government in the coming days, for the peace and tranquility.

Again, and to a most important point, Sir, I desire to draw your attention, if at all my doing lathi was the only cause. Recently,

the Madras High Court has thrown light on the Government of India defence circular regarding the ban on drills of a military nature. His Lordship clearly states that the circular is very wide and requires to be explained because even the most lawful things may be, unintentionally, causing a breach of law that way.

So His Lordship has reduced the fine from Rs. 200 to 20 only. Does this not constitute, Sir, an indirect proof of the innocence of my activities.

In the end, Sir, I assure you that there never was or will be any intention on my part to disobey law. I can give that understanding that on my pledge. I request you to kindly reconsider my case and do the needful, before you go on leave.

I beg to remain,

Sir,

your most obedient subject.

yeshwant Telang.
